S-CROSS BROCHURE (G)
99999-B1T05-001 2111

Cross The Line

Life brings new challenges at each stage. You're either ready to take them head on, or you're left wondering what happened. The S-CROSS makes it an easy choice. Bold, confident SUV-styling and intelligent safety performance are just the beginning. Plenty of room for friends, family and gear, and ALLGRIP technology to help you take control of any road. So don't worry about what's coming. Be ready to cross the line.

Great Looks And A Taste For Life

We are often told not to judge by first impressions, but even at a glance, the S-CROSS gives away its true character. You can tell that it's a tough SUV with loads of presence, featuring oversized upper and lower grilles that command attention and beg for adventure. But as you look a little closer you discover it's also stylish, elegant and refined.

Aggressive SUV Styling

Making a strong first impression is always important, but making a lasting one is what determines your legacy. The difference is in the details. The more you look, the more you like; and that's what the S-CROSS promises.

Front and Rear LED Lamps
Bursting with vitality and all-around coolness, the headlamps and rear combination lamps each feature three LED position lamps for a dynamic impression. The front position lamps also function as daytime running lights.

Stylised Front Grille
The impressive piano-black front grille delivers a dynamic presence that immediately sets the S-CROSS apart. The front emblem is set within a chrome-finish bar that contains the power of the grille.

Ruggedly Bold
The square, front and rear wheel arches add character to the exterior styling. Bold, silver garnishes on the front face and rear bumper deliver a strong first and lasting impression that adds to the confident SUV appearance.

Integrated Roof Rails
The silver anodised aluminium integrated roof rails are as stunning as they are functional, providing a sharp aesthetic with an aerodynamic smoothness.

Room To Play

Even on the inside, the S-CROSS is about living large. The spacious cabin feels expansive thanks to a large front window and high side-visibility. Come and see what you've been missing.

Spacious Cabin

Ample room in both the front and rear seating areas make it easy to kick back, relax and enjoy the ride.

Dual-zone Automatic Air Conditioner

Thanks to the dual-zone AC, you can personalise temperature control to match the individual preferences of driver and passenger.

Available on the GLX

Leather

Fabric

Seat Upholstery

The elegant and ergonomically designed leather seats feature real leather on the sides and an intricate tape-weave design in synthetic leather that expresses the car's rugged SUV nature in the centre. The fabric seats feature the same design sense, using an embossed material for the centre panel.

Leather available on GLX, fabric available on GL

Panoramic Sunroof

Double sliding glass panels create an extra-large opening for the panoramic sunroof that can be enjoyed from any seat in the car.

Available on GLX with ALLGRIP

Adjustable Rear Seatback

The rear seatback is adjustable to two settings to increase comfort or maximise cargo space.

Available on the GLX

Connect With The World

Heading out on a new adventure doesn't mean leaving the world behind. The S-CROSS features technology and functions that keep you in touch with your car and your lifestyle.

Display audio

The display audio features the latest in digital convenience, including Apple CarPlay®, Android Auto™, voice recognition and hands-free Bluetooth® calling. Standard features also include radio, music and movie USB, iPod and Bluetooth® music playback. Keeping you in-tune with the vehicle, it also displays information such as fuel economy, driving range, warnings, rear-view camera, 360 view camera. The GL is standard equipped with a 7-inch WGA display, while the GLX features a 9-inch HD display.

9-inch display audio on GLX

7-inch display audio on GL

Smartphone Connectivity

Apple CarPlay™ lets you connect your iPhone wirelessly or via USB to make calls, access your music, send and receive messages, and get directions all with your voice through Siri or by tapping on the audio display.

Apple CarPlay is available in the countries listed at the following link: <http://www.apple.com/ios/feature-availability/#applecarplay-applecarplay>
For more details including iPhone models compatible with Apple CarPlay see: <http://www.apple.com/ios/carplay/>
Apple, Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries.
Wireless connection is available for the 9-inch display audio only. Wired connection for the 7-inch display audio.

Android Auto™ is a simpler, safer way to use your phone in the car. Get all your favorite maps, media, and messaging apps on your car display.

Android Auto is available in the countries listed at the following link: <https://www.android.com/auto/>
Requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 6.0 or higher.

Work Hard, Play Harder

The S-CROSS understands that life is meant to be enjoyed. Whether part of your daily commute or the start of a new chapter in your life, the S-CROSS delivers on its promises.

Flexible Luggage Space

The 60:40-split rear seatback and multi-position luggage area board make it easy to accommodate a variety of cargo.

Overhead Console

The overhead console incorporates convenient map lamps and a sunglasses holder.

Available on the GLX

Front Centre Console Box

The front centre console box includes a built-in USB port and offers a convenient space to store small items.

Rear Centre Armrest

The retractable centre armrest includes two cup holders for rear passengers.

Available on the GLX

Front Centre Armrest

The front centre armrest position can be adjusted for driver comfort and incorporates a console box for storing small items.

Seatback Pocket

A pocket on the back of the front passenger seat conveniently holds maps, books or your tablet.

The Power To Move You

Getting where you want to go should be as much fun as what awaits when you get there. An innovative combination of power, efficiency and control ensure that the experience is a memorable one.

1.4 BOOSTERJET Engine

The S-CROSS is powered by a torque-full 1.4-litre, BOOSTERJET direct-injection turbo engine. The intercooled turbocharger forces pressurised air into the cylinders, maximising torque at low rpm. The direct injection system optimises amount, timing and pressure of fuel for enhanced performance and efficiency.

6-speed Manual Transmission

Optimised gear ratios boost fuel economy while increasing dynamic performance. A counterweight delivers an appealing shift-feel and the solid transmission case suppresses noise and vibration for added comfort.

6-speed Automatic Transmission

Wide gear ratios deliver excellent acceleration, even from standing starts. And more importantly, they reduce fuel consumption when you are cruising at high-speed.

ALLGRIP For Crossing Any Road

The S-CROSS is an all-around SUV, putting you in control in any driving situation thanks to ALLGRIP SELECT. Suzuki proprietary 4WD technology gives you the ability to take on any road.

ALLGRIP SELECT

Four Selectable Modes

Four easily selectable modes let you choose the 4WD setting that best matches the driving conditions. Just choose and drive with the confidence that ALLGRIP SELECT is on the job.

Auto

Prioritises fuel economy in typical driving conditions, only switching to 4WD when slippage is detected.

Sport

Increases cornering performance by allocating additional torque to the rear wheels. Sport mode also optimises accelerator-torque characteristics to increase engine response.

Snow

Provides excellent stability and enhanced traction, especially during acceleration, on snow, unpaved or other slippery surfaces.

Lock

This mode delivers maximum torque to the rear wheels to get you out of sticky situations such as deep snow, mud or sand. Automatically switches to Snow mode at 60 km/h.

The Weekend Never Stops

Getting behind the wheel of the S-CROSS is the start of an adventure, no matter where you're going. From an urban rendezvous to a day of shopping on-the-town, the S-CROSS is the fun way there.

Watching Over You

You never know when lightning will strike, so it's good to know that the S-CROSS features the latest technology to assist you when parking or when it's hard to see what's around you.

360 View Camera

The 360-degree view provides added safety and convenience. It uses four cameras (front, rear and both sides) to offer a variety of views, including 3D view for safe starts and top view for safer parking.

Available on the 9-inch display audio, which is standard on the GLX. The 360 view camera does have some blind spots and is not a replacement for safe driving. Please do not rely on this system alone. Always drive safely.

3D view

Top view

Front and Rear Parking Sensors

Ultrasonic sensors in the bumpers detect obstacles and warn the driver with sounds and graphics on the multi-information display.

Available on the GLX

Choose The Way You Live

The question of what road to take in life is personal and subjective. That's where the S-CROSS gives you the upper hand. Because some days, you're in the mood to discover where other roads lead.
