Immobiliser	S	S S
Security alarm	Door sensing	S S

S : Standard - : Not Available O<sup>1</sup>: Set option

\* : Bluetooth is a registered trademark of Bluetooth SIG, Inc.

\*\* : ESP is a registered trademark of Daimler AG.

\*\*\* : The ESP is designed to help keep the vehicle under control. However, the degree of engine torque reduction, the wheels that brake and their braking force vary according to the driving conditions. ESP is essentially a system to assist stable driving. In the case of slippage or skidding that exceeds the limits of grip between tyres and road surface, ESP will still function but may not be effective.

# XL7

## Major Specifications and Equipment

Standard and optional equipment available may vary for individual markets. Please enquire at your dealers, as specifications and illustrations may refer to models not available in your region. SUZUKI MOTOR CORPORATION reserves the right to change, without notice, prices, colours, materials, equipment, specifications and models, and also to discontinue models.

All photographs in this brochure were taken with relevant permission. Images of the vehicles without number plates on public roads are composite photos.
