

Way of Life!

VITARA

Suzuki's "Way of Life!" is the heart of our brand - every Suzuki vehicle, motorcycle and outboard motor is built to create excitement so customers can enjoy everyday life.

Standard and optional equipment available may vary for individual markets. Please enquire at your dealers, as specifications and illustrations may refer to models not available in your region. SUZUKI MOTOR CORPORATION reserves the right to change, without notice, prices, colours, materials, equipment, specifications and models, and also to discontinue models.

All photographs in this brochure were taken with relevant permission. Images of the vehicles without number plates on public roads are composite photos.

VITARA BROCHURE (G)
99999-B1V02-001

TIME TO PLAY

Projects, milestones, targets – adult life is full of responsibilities. But beyond meetings and schedules a deeper force lies within all of us: the inner child, ready to come out and play! Tickle it every day – with on- and off-road performance, exciting design and cutting-edge technologies. Discover the Suzuki Vitara.

FREEDOM TO ADVENTURE

A companion up for all endeavours: Befriend a multi-purpose performer embracing the most challenging surfaces and weather conditions. Powered by torqueful and efficient engines. Equipped with a unique ALLGRIP 4-wheel drive system. Fuelled by the authentic Suzuki SUV-genes: effortless joy behind the wheel enhanced by maximum grip at all times.

TORQUEFUL AND EFFICIENT POWERTRAIN

New 1.4 BOOSTERJET engine 1

The new, more compact 1.4 BOOSTERJET direct-injection turbo engine enhances the torqueful driving of the Vitara. The intercooled turbocharger forces pressurised air into the cylinders and enables the engine to maximise torque in the low engine rev range, even at 2500rpm. Moreover, the wastegate valve controls turbo boost pressure by opening or closing the gate, dramatically quickening response and lowering fuel consumption. The direct-injection system further enhances fuel efficiency by optimising control of the amount, timing and pressure of injected fuel in direct fuel injection. In addition, a short port intake manifold and exhaust manifold integrated with cylinder head allow for a light, compact engine design and faster acceleration.

1.6-litre petrol engine 2

With torque performance through all gears from low to high, this engine produces powerful driving on city roads as well as winding lanes. Furthermore, the reduced friction and weight in the engine and associated parts ensure outstanding fuel economy.

5-speed manual transmission (For 1.6-litre petrol engine) 3

The gear ratio settings are designed for both fuel economy and driving performance. Furthermore, various innovations have been incorporated to optimise the shift and create a smooth feel. Increased rigidity of the transmission case suppresses noise and vibration.

6-speed manual transmission (For 1.4 BOOSTERJET engine) 4

The optimised gear ratios boost fuel economy and dynamic performance, whilst a counter-weight has been introduced to create a better shift feel. In addition, the increased rigidity of the transmission case suppresses noise and vibration.

6-speed automatic transmission (For 1.6-litre petrol and 1.4 BOOSTERJET engine) 5

With enlarged gear ratio widths for all gears, the 6-speed automatic transmission offers excellent acceleration, even from standing starts, and enhances fuel economy in high-speed cruising. An integrated cooler heightens automatic transmission fluid cooling performance, further contributing to enhanced fuel efficiency.

Paddle shift (For 6-speed automatic transmission) 6

Gear changes can be made quickly and easily using the paddle shifts installed behind the steering wheel, making driving enjoyable and sporty like with a manual transmission.

ALLGRIP 4WHEEL DRIVE

Regardless of the road surface, the Vitara provides outstanding grip; no special driving techniques or operations are required. The Vitara's sophisticated mechanisms make driving a true pleasure. Whatever the road, the Vitara will handle it with consummate ease.

ALLGRIP SELECT

ALLGRIP system

"A vehicle that can take on rough roads and go places that cars couldn't go in the past." With this philosophy, our first four-wheel drive model was developed in 1970. This was the start of ALLGRIP, Suzuki's renowned four-wheel drive technology. Our 4WD technology has been refined to provide drivers with even more excitement, pleasure and reassurance. With ALLGRIP in your Vitara, you can expand your range of activities and enhance your diverse lifestyles.

Four driver-selectable modes

Choose your driving mode from the 4WD driving modes (auto, sport, snow and lock), using a simple push-and-turn dial on the centre console. The multi-information colour display in the centre of the meter cluster informs you about the current ALLGRIP drive mode in operation.

Auto Mode

Prioritises fuel economy in typical driving conditions and switches to 4WD when detecting slippage.

Sport Mode

Improves cornering performance by allocating more torque to the rear wheels. For a better engine response, it optimises the accelerator/torque characteristics.

Snow mode

Optimal for snowy, unpaved and other slippery surfaces as it enhances traction during acceleration and promotes stability.

Lock Mode

For extricating the vehicle from snow, mud, or sand, the system apportions more torque to the rear wheels. The ESP[®]* and other control technologies are optimised to get the car free. Lock mode automatically switches to Snow mode at speeds over 60 km/h.

*ESP[®] is a registered trademark of Daimler AG.

Hill descent control

When the vehicle is travelling down a steep downward slope and engine braking is not sufficient to slow the vehicle, hill descent control applies the brakes and keeps the vehicle at certain low speeds. This allows the driver to concentrate on steering.

STRONGER. BOLDER. STYLED FOR ALL ADVENTURES

Get ready for an appearance beaming with strength and energy. Characterised by the Vitara's bold styling, stealing the spotlight wherever you go. Defined by the Vitara's authentic design always on the lookout for on- and off-road discoveries. Charge your drive with a vigorous outer impression – and elevate your senses with the inner refinement of a full-grown SUV.

EXPRESSIVE EXTERIOR

LED headlamps **1**

Bright LED headlamps are used to conserve energy on low-beam. The blue-coloured projector creates a cool impression.

LED daytime running lights and fog lamps **2**

The uniquely designed DRL's (Daytime Running Lights) feature vertically placed LED's. Fog lamps that are essential for good road visibility in poor weather conditions are also provided.

Suzuki's traditional SUV motifs **3**

The essence of Suzuki's design, such as the bold 5-element grille, strong front bumper finished off with stylish chrome accents bring a sleek, modern look to the Vitara.

New wheel design

17-inch polished alloy wheels **4**

17-inch painted alloy wheels **5**

16-inch painted alloy wheels **6**

16-inch steel wheels with full wheel caps **7**

SUPERIOR INTERIOR

Feel right at home in the refined interior. Advanced feature and quality craftsmanship deliver comfort and driving satisfaction, on and off the road.

Premium feel cabin space* **1**

Getting into the Vitara is like entering a refined world full of high-quality materials. Offering a space where you find every button, switch and dial in its natural place. Enjoy an interior that you are never quite ready to leave.

New soft pad instrument panel **2**

Internal soft pad on the upper instrument panel ensures a premium feel to the cabin space.

7" touchscreen display **3**

The audio incorporates a touch-panel display that is as intuitive as a smartphone. Connect your smartphone via Bluetooth® or USB cable to use smartphone applications through the display, which is also equipped with radio, rear-view camera, and navigation function.

New 4.2" multi-information colour LCD display **4**

An advanced multi-information 4.2-inch colour LCD display occupies the centre of the meter cluster to inform the driver with accurate and reliable data on vehicle behaviour and operation. The dynamic display visually illustrates a wide range of features such as ALLGRIP drive modes, G-force, engine output and torque, and accelerator and brake use, among others. With a wide variety of options to choose from, your ride is never going to be short of fun again.

New geometric pattern seats **5**

Stylish suede designed front and rear seats ensure maximum support and comfort for both driver and passengers.

New clock design **6**

Embedded into the dashboard, the clock adds a modern and sophisticated touch to the driver's space.

STATE-OF-THE-ART CONNECTIVITY

Google Maps operated with Android Auto.

Android Auto

Apple CarPlay

MirrorLink

Multifunctional steering wheel

The user-friendly multifunctional steering wheel gives the driver full control. Within easy reach, radio and Bluetooth® connectivity for smartphone can be controlled. The drive support function for cruise control is also integrated to ensure comfort and security.

PLENTY OF SAFETY

TECT body frame

The Vitara's body design centres on Suzuki's TECT concept, resulting in a structure that efficiently absorbs and disperses the energy in the event of a collision.

6 Airbags

Driving performance is complemented by protective safety features, including standard SRS airbags for the driver and front passenger, front SRS side airbags that reduce impact to the chest in side collisions and SRS curtain airbags that reduce impact to the head.

Notes: SRS airbags are only effective when seatbelts are used and may not function properly depending on crash conditions. Please refer to the owner's manual for conditions to bear in mind. In an actual crash, SRS curtain airbags and front SRS side airbags inflate only on the side of impact.

ESP®

Should the wheels lose traction, the Electronic Stability Programme ESP®* automatically adjusts the engine and brakes to help keep the driver in control.

*ESP® is a registered trademark of Daimler AG.

Front and rear parking sensors

Ultrasonic sensors in the bumpers detect obstacles and issue audio-visual warnings that the driver can see on the multi-information display and hear as a warning sound alert.

EVERYDAY FUNCTIONALITY

All the right features in all the right places. The Vitara meets your everyday needs for comfort, convenience and versatility.

Generous luggage space 1
With its wide boot opening, low loading height and impressive loadspace of 710 litres* when both rear passenger seats are folded,** the Vitara makes sure that it is easy to get everything in that you need.

Automatic air conditioning 2
Easily adjustable settings ensure that you can always get the interior temperature right.

Panoramic sunroof 3
An easy-to-use, fully retractable sunroof to bring in light and fresh air from the outside.

Front centre armrest 4
The front centre armrest can be slid into the optimal position and also incorporates a console box for storage.

*Measured without rear parcel shelf.
**Measurement method of the German Association of the Automotive Industry.

STYLE FOR OUR TIMES

Define your style: rugged or urban. Bring out the Vitara's bold character or add some finesse. Customise what you consider important to make the Vitara all yours.

EXTERIOR PACKAGES

RUGGED PACKAGE

- 1 Front Grille Fins
- 2 Front Grille Upper Accent Line
- 3 Front Bumper Accent Line
- 4 DRL Accent Line
- 5 Side Fender Garnish
- 6 17" Misty Black
- 7 Centre Cap
- 8 Side Body Moulding
- 9 Front Skid Plate
- 10 Rear Skid Plate

URBAN PACKAGE

- 1 Front Grille Fins
- 2 Front Grille Upper Accent Line
- 3 Front Bumper Accent Line
- 4 DRL Accent Line
- 5 Side Fender Garnish
- 6 Door Mirror Cover L+R
- 7 17" Misty Polished
- 8 Centre Cap
- 9 Rear Bumper Accent Line
